Daily Komtrax data

The graph below shows daily average hours of machine use per unit of KOMTRAX*-installed Komatsu construction equipment .
This report shows comparison of daily working hours by contries from 2018 to 2020.
The horizntal axis defines the first monday in January as the starting point to exclude influence of the day of the week.

- **Excluding those units which we were unable to contact via KOMTRAX.**
- **Including those units which show zero monthly hours of machine use.**
